- Clear plastic jewel box for convenient storage
- Operates on Code 55 and 80 rail
- Minimum radius: 10"

PROTOTYPE HISTORY:

Pullman-Standard dominated the covered hopper car market beginning in the 1950s, thanks to the design success of their PS-2 series of covered hoppers. Designed to carry bulk commodities, such as grain, cement and plastic pellets, these cars roamed the rails of North America for decades, attesting to their utilitarian functionality.
