All Railroads

PROTOTYPE INFO:

Athearn N scale is proud to offer a mainstay of railroading's golden age in it's premium line of N scale models. This diminutive workhorse is capable of providing the power and performance to capture this rich era of railroad history. Each locomotive is decorated with colorful paint schemes that were common of the era.

LOCOMOTIVE FEATURES:

- Fully assembled and ready-to-run
- Separately applied engine handrails, bell, whistle and safety valves
- Headlight and smoke stack castings correct to the era
- Clear window glazing in the cab
- Coined metal drive rods
- Geared for scale operation
- Die-cast split frame chassis with all drivers providing electrical pick-up
- Rear driver mounted traction tires for maximum tractive effort
- Tender mounted motor
- Interior plastic blister safely holds the model for convenient storage
- Minimum radius: 9¾"
