Era: 1940s to Now (approximately, and depending on which railroad and paint scheme)  
Using the tooling from the regular Athearn® line F7 series, these striking new Ready To Roll® units will be fully assembled, in an easy to display window box. The "A" unit will be powered, with super weight installed. The "B" unit (or the second "A" unit) will be unpowered.

- McHenry® scale knuckle spring couplers
- Fully assembled
- Machined metal wheels
- Razor-sharp printing and painting
