Fred Harvey Bus Line

ATH29077 Fred Harvey Bus Line

KEY FEATURES:

- Rubber Tires
- Windshield wipers
- Interior Detail
- Fully assembled and ready for your layout
- Razor sharp painting and printing

PROTOTYPE AND BACKGROUND INFO:

The intercity bus was utilized by many companies beyond the typical charter bus companies. Railroads too, utilized these buses for connectivity with passenger trains. As time went on, these long-lasting vehicles were sometimes bought and sold by private owners, either in "as-is" condition, or fully restored with chrome and metallic paint.

\$31.99 INDIVIDUAL
